VBS program used AdventSource

Something special that worked A raffle tickets were given to kids and randomly chooses two tickets and prizes were given to them as a way to motivate them throughout the program and this made the kids always wanted to come to the program and sit for the whole day.

Plans for follow-up I'm still talking to their parents and two have been worshipping with us since then. I'm hoping the others will also find the same joy as the others have find in coming to learn about Christ.
